Melody Laundry Detergent

Tough on Dirt, Grime and Stains For Traditional & Washers

Serenade Laundry Detergent works well in warm or cold water. Pre-treatment of stains will improve washing performance in cold and hot temperature settings. It is recommended to separate dark colored and heavily soiled clothes to prevent color migration and soil transfer to light colored and lightly soiled clothes. Follow recommended instruction on clothes tag and select the recommended temperature on your machine.

DIRECTIONS

DO NOT MIX WITH OTHER CHEMICALS.

1. Read and follow care instructions.
2. From care directions, choose proper wash cycle and water temperature.
3. Pre-spot any heavily soiled areas with appropriate Serenade laundry spotter.
4. Do not overload washer with soiled laundry.
5. Add approximately 1 to 2 oz. of Serenade Laundry Detergent per 100 lbs. of dry soiled laundry.
6. For extremely soiled clothing, an extra wash cycle may be necessary.

NOTE: For front loading washers if excessive of foam is experienced, less of the above recommended quantity of detergent must be used.

DETERGENTE DE LAVANDERIA

Serenade detergente de lavanderia que funciona bien en agua tibia o fria. Pretratamiento de las manchas mejorara el rendimiento de lavado en temperaturas frias y calientes. Se recomienda separar la ropa de colores y muy sucias oscuras para evitar la migración de color y transferencia de suelo para ropa de color y con poca suciedad ligeros. Siga las instrucciones en la etiqueta de la ropa recomendada y seleccione la temperatura recomendada en su maquina.

DIRECTIONS

DO NOT MIX WITH OTHER CHEMICALS.

1. Lea y siga las instrucciones de cuidado.
2. A partir de las direcciones del cuidado, elegir el ciclo de lavado adecuado y la temperatura del agua.
3. PreSpot las afeas muy sucias con spotter lavanderiel Serenade apropiado.
4. No sobrecargue la lavadora con la ropa sucia.
5. Anadir aproximadamente de 1 a 2 oz de liq.Jido detergente de lavanderiel por 100 libras. de seco sucia lavanderil
6. Para ropa muy sucia , un ciclo de lavado adicional puede ser necesaria.

NOTA: Para las lavadoras de carga frontal , si se experimenta un exceso de espuma, menos de la cantidad recomendada de detergente anteriormente debe ser utilizado.
